CableLAN Products was formed in 1994 with the premise of premises in mind. We have built our reputation as the most customer responsive LAN products distributor. With the demand for immediate delivery of data and voice networking products, CableLAN Products responds with the most complete inventory of high-quality products, competitive pricing and on-time delivery.

From the planning stages through installation to final testing, CableLAN Products provides the most comprehensive technical expertise and networking solutions. Our extensive product line from today's leading manufacturers include:

- Premises Wiring Products
- Copper Cables
- Fiber Optic Cables
- Fiber Optic Patch Panels
- Fiber Optic Assemblies and Connectors
- Cabinets and Racks
- Networking Hardware
- Physical Security
- Surge Protectors
- Firestop Products
- Innerduct
- Tools and Accessories
- Test Equipment

The industry experts at CableLAN Products work with you to identify the trends that affect today's businesses and influence tomorrow's premises wiring systems.
